

## Dear Sir or Madam,

The Institute of Internal Auditors Slovenia (IIA Slovenia) is organising the **15th IIA Slovenia International Conference**, taking place on **21-22 May 2026** in Bled, Slovenia. The conference will be delivered in a **hybrid format** and will bring together respected international and Slovenian speakers, as well as participants from the private and public sectors.

We would like to invite your organisation to join us as a **sponsor or donor** and, through your support, **demonstrate your commitment to strong governance, ethical conduct, compliance, and effective risk management** in the Slovenian business environment.

IIA Slovenia has been active since 2000 as the Slovenian affiliate of The Institute of Internal Auditors (IIA), the leading global professional body for internal auditing. The IIA develops professional standards and guidance that are used worldwide, including by internal auditors in Slovenia. Our membership includes internal auditors from banking, insurance, large corporates, the public sector, as well as specialists in IT auditing, forensic auditing, and related disciplines.

Conference participants include our members, representatives of middle and senior management, oversight bodies, and guests from other IIA institutes. The hybrid conference is expected to reach up to **approximately 300 participants**.

The conference aims to support the profession by enabling participants to:

- learn about key developments and emerging trends,
- exchange practical and international good practices,
- strengthen internal auditing quality and risk management in Slovenia and beyond.

If you believe our mission aligns with your organisation's values, we kindly invite you to support our activities through sponsorship or a donation. The funds will be used to **cover conference delivery costs** and to support professional activities that strengthen the internal audit community (e.g., professional materials, communications and outreach initiatives).

In return for your sponsorship, we offer brand visibility and **promotional opportunities** (depending on the selected package), including logo placement on the conference website and app, as well as visibility during the event.

For further information or to discuss sponsorship options, please contact us at [info@iia.si](mailto:info@iia.si). We would also be pleased to propose a **tailored package** aligned with your objectives and areas of interest.

Thank you in advance for considering our request. If sponsorship or a donation is not possible at this time, we would still warmly invite you to attend the conference together with your internal auditor(s).

Kind regards,

Dr. Matej Drašček President, IIA Slovenia
